CHORUS

G D
Ever wonder what it be like

VERSE 1

G D
My cars an old two thousand five
C D
Bald tires my battery died
G D
Trying to keep the engine alive
C D
Turn around and my tranny's fried
G D
Sometime Lord before my hair turns white
C D
Begging you on my knees at night
G D
Give me your blessing twenty-four seven
C D
Deliver me a little piece of heaven

VERSE 2

G **D**
Momma told me life was gonna be tough
C **D**
But when the hell is enough enough?
G **D**
Gotta keep my hopes alive
C **D**
Fighting hard just to survive
G **D**
Sometime Lord before my hair turns white
C **D**
Begging you on my knees at night
G **D**
Give me your blessing twenty-four seven
C **D**
Deliver me a little piece of heaven

CHORUS

G **D**
Ever wonder what it be like
C **D**
Everything in your life was right
G **D**
Peace of mind no more fight
C **C7** **D**
Fall asleep head hits the pillow at night
