

Chemistry

Written By: Chuck Frederick

VERSE 1

Em

Met the woman that became my wife

C

D

In a downtown honky tonk one night

Em

Before I knew it we were in my truck

C

D

Couldn't believe my unbelievable luck

CHORUS

Em

It was downright instant reaction and attraction

C

D

Ten times multiple crazy satisfaction

Em

If you ain't been there you don't know what I mean

C

C7

D

It's the chillin and thrillin

Em

Of chemistry

BRIDGE

B7

She said baby just relax

Em

She pushed the button and my seat went back

B7

Got up between me and the steering wheel

Brrrr unreal

VERSE 2

Em

Wakes me up in the middle of the night

C

D

Can see she got that look in her eye

Em

Look at her she shakes her head at me

C

D

She knows I know exactly what she needs

CHORUS

Em

It's downright instant reaction and attraction

C

D

Ten times multiple crazy satisfaction

Em

If you ain't been there you don't know what I mean

C

C7

D

It's the chillin and thrillin

Em

Of chemistry

BRIDGE

I said baby just relax

Em

Pushed all her buttons and her eyes rolled back

B7

Shakin Quakin Bakin between the sheets

Brrrr

TAG REPEAT 2 TIMES

Em

It was downright instant reaction and attraction

C

D

Ten times multiple crazy satisfaction

Em

If you ain't been there you don't know what I mean

C

C7

D

It's the chillin and thrillin

Em

Of chemistry
