Verse 1

G **D**
We are the fruit of the garden
C **G** **D**
We are the roots of the old plum tree
G **D**
We are the children of God whose spirit was captured
C **G**
In the life of the man that planted our seeds

CHORUS

C **G**
Down below Down below
D **C**
Go in peace and in truth and in love
G
To the garden that grows
C **G** **C/G**
Down below Down below
D **C**
Our roots are steadfastly planted
G **D**
In the garden that grows down below

Verse 2

G **D**
The hands of the man we'll remember forever
C **G D**
His powerful grip is one that's remembered by all.
G **D**
God bless the man for trying to be honest
C **G C/G**
Though bitterness tore his heart for those that did fall

CHORUS

C **G C/G**
Down below Down below
D **C**
Go in peace and in truth and in love
G C/G
To the garden that grows
C **G C/G**
Down below Down below
D **C**
Our roots are steadfastly planted
G D
In the garden that grows down below

Verse 3

G **D**
So we say our farewell as we enter the springtime

C
And the land it will rest now

G **D**
As the roots remain deep in the ground

G **D**
And the man that we love has returned to his maker

C
He stays in our hearts

G **C/G**
For all things they will come back around

CHORUS (Repeat twice)

C **G** **C/G**
Down below Down below

D **C**
Go in peace and in truth and in love

G
To the garden that grows

C **G** **C/G**
Down below Down below

D **C**
Our roots are steadfastly planted

G
In the garden that grows down below
