

Last Ounce Of Dignity
Written By: Chuck Frederick

Verse 1

G **C9**
Reaches into his pocket
G **D**
For a half a cigarette
Am **D**
Holding onto his homeless sign
C9 **D**
A lost and lonely vet
G **C9**
I roll down my window
G **D**
He walks over to me
Am **D**
I hand him a five he gives me a smile
C9 **D** **G**
He God blesses me

Bridge

C **G**
I thank him for his service
C **G**
That's when I see
C
A Purple Heart pinned to his chest
D
A hero's last ounce of dignity

Verse 2

G **C9**
I don't know how it happens
G **D**
So many come home from war
Am **D**
Sacrifice lay down their lives
C9 **D**
So we can be safe and warm
G **C9**
As I drive away
G **D**
A tear comes to my eye
Am **D**
My heart has one question
Am **D** **G**
Where will that hero sleep tonight

CHORUS

C
Under the moon and stars
D
In heavens light
Am **D**
Hope that he'll be safe tonight
C **D**
Pray God helps that hero to see
C **D** **G**
While he holds onto his last ounce of dignity

Repeat Chorus
