I can travel all over the world to foreign lands  
**Em** **A** **D**  
Climb a mountain sail the seas live life grand

Comes a time I feel the call so all alone  
**A** **D**  
Nothing that can touch your heart like home

**D** **G**  
This is where I grew up as a child so familiar to me  
**Em** **A** **D**

Never need to ask directions all just a stones throw

Nothing that can touch your heart like home

Memories come rushing back to me

**A** **D**  
Nothing that can touch your heart like home

## VERSE 3

**D** **G**  
I'm so grateful I grew up in my hometown

Nothing that can touch your heart like home
