

Verse 2

G **C** **C7**
I've been down way too long
D **C9** **D** **G**
In my car listening to a song
C **C7** **D**
On the radio
G **C** **C7**
On the road to no where
D **C9** **D**
Where I go I just don't care
G **C** **D**
Gonna drive so I don't lose control

Chorus:

D **G**
On the open road
C9 **D** **G** **C9**
Gonna drive cause I feel out of control
G **C** **C7**
Tired of feeling sick and tired
C9 **D**
Gonna drive til I'm feeling higher
G **C9** **D**
Keep on driving til I lose this load
 G **C9** **D**
On the open road
 G **C9** **D**
On the open road

Hundred miles and feeling great

Before I need to go

Chorus:

D **G**

On the open road

C9 **D** **G** **C9**

Gonna drive cause I feel out of control

On the open road

On the open road
