

When A Man Becomes A Man
Written By: Chuck Frederick

Verse 1

G **C**
There were lonely nights I couldn't sleep
D **G** **D**
Cause of promises I didn't keep
G **C**
Even though it was twenty years ago
D **G** **D**
I understand I hurt you so

CHORUS

G **D** **C**
When everything is taken from his hands
C **D** **G** **D**
That's when a man becomes a man
G **D** **C**
When the pain it brings him to his knees
C **D** **G** **D**
It's our Father who is pleased
G **D**
In his heart he understands God's Plan
C **D** **G**
That's when a man becomes a man **(Repeat 3 times at song end)**

Verse 2

G **C**
Looking back on all my foolish pride
D **G D**
Had so much loneliness inside
G **C**
I forgot you were my best friend
D **G D**
It hurt me dearly in the end

CHORUS

Verse 3

G **C**
So I'm reaching out to make amends
D **G D**
Ask your forgiveness my old friend
G **C**
These old wounds keep us in the past
D **G D**
Let's heal the heartache at last.
