When Two Hearts Are One
Written By: Chuck Frederick

VERSE 1

G   C   G

Last night I said some things I didn't mean

C   G D   G D

I hurt you and I hurt me

     G   C   G   C

As tears were rolling softly from your eyes

            G   D   G

Down your cheek I realized

CHORUS

C   G

When two hearts are one

C   G C

Sometimes hard to see

C

Everything begins and ends

        D   C

With you and me

C   G C

You know good love's

       G

So hard to find

C   D

When I hurt your heart

     G

I hurt mine.

From sunset to sunrise
