

### Verse 2

**G**                    **C9**    **D**  
You ain't gone yet I'm kissing you  
**C9**                    **D**                    **G**  
Wishing today was yesterday  
**G**                    **C9**                    **D**  
Your bags are packed we know its time  
**C9**                    **D**                    **G**  
Hug each other you drive away

### Bridge

**C9**                                    **G**  
Sometimes meant to be  
**F#**                    **G**  
Is only for a while  
**F#**                                    **G**  
Two hearts on the mend  
**C9**                                    **D**  
That make each other smile

### Verse 3

**G**                    **C9**                    **D**  
You ain't gone yet your still on my mind  
**C9**    **D**                    **G**  
Letting go will take some time  
**G**                    **C9**                    **D**  
What we shared is oh so rare  
**C9**                    **D**                    **G**  
Two paths crossed not intertwined

**Tag**

**C9**

**In my heart and mind**

**D**

**I know your somewhere**

**G**

**C9**

**Sitting by the sea**

**D**

**Where your spirits free**

**C9 D**

**You ain't gone yet**

**G**

**But I'm missing you**
