

Your Beautiful Heart
Written By: Chuck Frederick

VERSE 1

D **G**
When I wake up in the morning and your near
D **A**
Want you beside me through the years
D
First time I looked in your eyes
G
I knew it from the start
D **A** **D**
I just want to touch your beautiful heart

CHORUS

G
Maybe it's you
D
Maybe it's me
G
Maybe it's the little things you do
A
That help my heart to see
D
When I look in your loving eyes
G
Never want to be apart
D **A** **D**
I just want to touch your beautiful heart
